## CAMBRIDGE NORTH DUMFRIES

# POPULATION OVERVIEW

DATA BRIEF RELEASE: September 2022 Fiscal Year 2021/2022 Data Source: Ontario Health

## 152, 367

## **Attributed Population**

Our attributed population reflects where patients access care, not where they live

### Sex Distribution in CND OHT

### Age Distribution by Sex in CND OHT

The CND OHT is using data to inform care redesign efforts to meet the needs of our attributed population. For further information or questions, please contact Lindsay Beuermann, Performance Monitoring and Quality Lead or visit our website.
